

The Register of Social Service Workers in Scotland

January 2008 - update

Following further discussion with the SSSC - in relation to the submission by Deafblind Studies - the qualifications set out overleaf will be added to lists previously agreed by Council for 'Residential Child Care Workers' who form part of phase one of registration.

June 2007

At a meeting on the 17th May 2007, the SSSC Chief Executive - in relation to the submission by Deafblind Studies - took the decision that the qualifications set out overleaf will be added to lists previously agreed by Council for workers who will form part of phase two of registration.
